This beautifully maintained one-owner home offers standout curb appeal with fresh landscaping and a brand new architectural shingle roof. Built in 2019 and meticulously cared for, the home features an open floor plan that blends functionality and comfort with thoughtful design.

The central kitchen serves as the heart of the home, complete with a large island, breakfast bar, and seamless flow into the spacious family room—perfect for entertaining or everyday living. The separate dining room offers peaceful backyard views and a quiet space for more formal meals.

The split-bedroom layout ensures privacy, with a generously sized primary suite that includes a walk-in closet and en suite bath with dual vanities and a glass-enclosed shower. Two additional bedrooms and a guest bath are tucked away on the opposite side of the home, creating flexibility for guests or work-from-home needs.
